Dear Parents

Congratulations to Mikayla Willis who organised and ran a very successful mufti day and coin trail in support of the “Rebuild Christchurch” campaign. With the support of our students and community Mikayla’s idea saw \$753.60 raised for the “Rebuild Christchurch” campaign. Mikayla you are an inspiration to us all and you are a fantastic ambassador for our school displaying our key values of Caring, Contributing, Communicating, Creating and Challenging.

Well done to all students who took part in our recent cross country events. It was pleasing to see all students involved. Thank you for the wonderful support we received from parents on both days. Good luck to all students selected to represent our school at the North West Schools Zone Cross Country.

Our students were provided with a number of wonderful class and school presentations at our assembly last Friday. Congratulations to all students involved. A number of video clips are available on our website for parents who could not make the assembly. These can be found in the “Showcase” section of our website.

Winters chills and bugs are well and truly with us. A reminder to all parents not to send children to school if they are unwell. This is unfair on other students and our staff. Please keep unwell children at home.
