

# Good work by Cotswold students

**Greening up:** Last week was Keep New Zealand Beautiful Week and Connor Watson, Francisco Seong, Tommy Scott and Tyler Askin were part of a 25-strong team of Cotswold School children cleaning up their school environment.

The year 4 and 5 students managed to gather two bags full of rubbish as well as a car bumper, found in the bushes. The children received a Keep New Zealand Beautiful badge for completing this extra service which was done outside school hours.
