Cotswold School's Year 5 and Year 6 students recently enjoyed two weeks of swimming coaching at QEII.

Cotswold teacher Greta Carrell says students worked on their swimming according to their own skill level.

"The kids absolutely loved it. They got changed right away and got straight in the pool."

The school used staff from QEII's swim school to help students improve their swimming.

"The instructors are great there. They're very efficient and very on to it," Ms Carrell said.
