

Cotswold performers sell out shows

Cotswold School performers prepare ahead of the middle school's production of *The Jumblees*.

Cotswold classes also performed two other shows, *The Lion and the Mouse* and *The First Kids in Space*, recently.

Teacher Greta Carrell says after a busy term of rehearsals and preparing props and costumes, the children presented exciting and entertaining shows to full halls.

"The audiences were impressed with the high standard of the performances, the effort from everyone, the talent of the children and the enjoyment the children obviously got from being involved in the shows."
