Dear Mikayla

I read the e-mail Ms Davies sent to my office with interest. You have shown great bravery and initiative at this difficult time. I was impressed by your fundraising activities to raise money for the Christchurch Mayoral Fund.

Thank you for your personal efforts in helping to rebuild our city. Please also pass on my thanks to your teachers, the Cotswold School Council, and the other children who have made donations. I hope you and your families are all safe and well.

We have been overwhelmed by the very many offers of help and expressions of concern that we've received from around the world and are grateful for them.

Kind regards

Bob Parker
